Email.....

Boat name (if you are the skipper).....

Radio call sign..... boat length..... boat type

The affiliation fee to the NZ Sport Fishing Council that we pay is \$9 senior and \$4.50 junior member, with a donation of \$2 and \$1 respectively to the NZ Marine Research Foundation. WGFC is fully supportive of the NZSFCs very effective work in Recreational Fishing advocacy and representation through LEGASEA. Look how quickly they squashed proposal of marlin being landed as a Commercial catch and kept the snapper limit sensible. The battle goes on though, reduction of commercial wastage and equitable rec/comm size limits are just two current issues. You **may** decide to contribute more than the modest affiliation fee by way of an investment in LegaSea, please add this to your membership payment and state the amount here:

Thank you

WGFC is proudly affiliated to the IGFA and the NZ Sport Fishing Council
